December 2, 2022

Residents of Sunset Park West Subdivision  
Tampa, FL 33629

Subject: Contract No. 20-C-00045 Sunset Park West Water Main Improvements  
Project Update December 2022

Dear Residents of Sunset Park West:

Please review this notification of upcoming asphalt resurfacing improvements that will impact the following streets: San Miguel, Dryad, Juno, W. Sunset, S. Venus, and S. Bryant. Repaving is expected to begin Wednesday, December 14, 2022. The contractor will work street by street to minimize the effect to residents.

**Property Access and Streetside Parking**

Paving crews will perform a mill and asphalt overlay procedure that requires the use of heavy machinery and materials. It is essential that all vehicles are removed from the street. Notices will be placed stating "REMOVE VEHICLES FROM CURB" as a warning that paving work will be done on your street on that particular day. Any vehicles that are not moved will be towed at your expense.

Access to residences will be maintained at all times. Your street will be re-opened to vehicle traffic as soon as the asphalt has cooled, which is typically a few hours after the asphalt is placed and compacted.

**Holiday Schedule**

To minimize disruption to residents, no paving activity will take place between Friday, December 23 and Monday, December 26, 2022. All work will resume starting Tuesday, December 27<sup>th</sup>.

**Next Steps**

The City of Tampa will hold a Zoom meeting on January 10, 2023 to provide residents with an updated construction schedule and address questions and concerns related to the project. In the meantime, please direct any questions or concerns about the work to Mr. Tim Knisely, Project Engineer, at (813) 310-5178 or Mr. Joe Rego, Construction Supervisor, at (813) 690-7893 as they are monitoring the project. For project updates, also visit [tampa.gov/water/sunset-park-west](http://tampa.gov/water/sunset-park-west).

Sincerely,

Albert B. Calloway, Jr.  
Construction Engineer
