Key Performance Indicators
Finalizes
Still a lot of work to do to finish it up.
Objective is to have them review and provide feedback.
Comments included: Joyce - Did we include grants, recommended a graphic design artist to finalize, table should appear as appendices, images – lighten rescreen hard to see picture, add more existing conditions pictures, maps – imaging issues some are hard to see, a lot of information and very comprehensive, good to see a lot of what we've been talking about over the last few months. It's really coming together. Put a lot of work into it and it shows. Maybe the regulations can be an appendices.
Orr will save the shown document and distribute to the CAC.
Conversation about general vs. specific projects
Ersula – Environmental, care for the impacts happening. Green referenced section 6. He offered to add additional information in section 6.
Green said edits still to work on is wording on narrative and grammatical edits. Plan to add photos. Intent to have most edits done, since will meet with CRA board members in June. Then, planning commission presentation and city council for final approval.
Agreed that May 31 the CAC will send Mgr. Orr all feedback.

5. New Business

5.1. Community Benefits Agreement Committee Opportunity

Orr announced that the city is looking for members interested in serving on the new Community Benefits Agreement Committee (CBAC). The committee is being established as part of the Community Benefits Agreement requirements within approved Funding Agreements for recipients like Straz, Tampa Museum of Art, and Tampa Theatre. CAC members may serve on the CBAC in a project specific role if they live within ½ mile of the project.
If you are interested, or have questions, please let me know as soon as you can. The deadline is May 21. Additional information may be found here: www.tampa.gov/cbac
