For the eighteenth year in a row (2007-2024) the City of Tampa has received the prestigious “Achievement of Excellence in Procurement” award from the National Purchasing Institute.

This award is designed to recognize organizational excellence in public procurement.

We know the success of your business is crucial to our success as a city. Whether you're an established Tampa business, looking to start a business, or want to move your business to Tampa, find out what we can do to make it easy for you to do business in Tampa.

The Purchasing Teams work together to “Complete the Puzzle” and make Tampa a City that will be recognized as diverse and progressive; celebrated as the most desirable place to live, learn, work, and play.

The City of Tampa Purchasing Department, as provided for in the City Charter, is responsible for all aspects of the City's centralized procurement process. Its objective is to acquire needed goods and services as efficiently and as inexpensively as possible, while assuring fair and equal opportunity to all qualified vendors. The Purchasing Department's primary function is to assist other City Departments in their procurement efforts, securing materials and services, which meet necessary standards. Concurrently, the Purchasing Department monitors all procurement to ascertain compliance with applicable laws, rules and regulations.

DeAnna Faggart, NIGP-CPP, CPPO, CPPB
Director of Purchasing

What does Purchasing do?

Purchasing is organized as follows:

- The **Goods and Services Division** buys most of the items and services used by the City; schedules all bid openings; generates bid and resolution documentation and sells used materials and equipment.
- The **Purchasing Systems Administration Division** performs computer and financial systems support; administers the P-Card program; tracks supplier insurance compliance and facilitates contract renewals.
- The **Inventory Division** provides the materials necessary to support City operations in an efficient manner utilizing mechanisms to guide, control, and account for its inventories.

How Do I Sign Up to Receive Bids?

After doing the necessary research to determine that the City buys what you sell, and that it would be worthwhile for your firm to become aware of upcoming bids, you may register to receive such bid notifications through City of Tampa service partner OpenGov. Registering with [OpenGov](#) will provide automatic notification, via email or fax, of upcoming bid solicitations that match your business. The bids you are sent will depend on the commodities or services identified with this service and the Counties for which you register. If you wish to only sign up to receive bids from our agency the service is FREE.

Please note that completing a Vendor Form (subscribing with OpenGov) is not the same as getting certified as a Women/Minority Business Enterprise (W/MBE) or signing up for the City's Small Local Business Enterprise (SLBE) Program. You must submit a separate W/MBE certification form or SLBE Application to the **Equal Business Opportunity Office** located at the City Center, 2555 E Hanna Ave, Tampa, FL, 33610. The phone number for the EBO Office is (813) 274-5522.

Who in Purchasing Handles What I Sell?

In Purchasing, the Buyers are assigned certain products and services, based on the National Institute of Governmental Purchasing (NIGP) commodity class numbers. The **Buyer Commodity Class Table**, which lists which Buyer handles what groups of goods and services, can be found on the Purchasing Department's website.

The **Purchasing Phone Directory**, located in the center of this brochure, lists the telephone numbers for key personnel in the Purchasing Department.

The **Bid Schedule**, which is hosted by OpenGov and published to the Purchasing Department's website, contains a listing of the Purchasing Department's upcoming Bids and Request for Proposals (RFPs) with their opening dates and times. Tabulation information can be found on the OpenGov website for bids opened since November 2024.

Which Department Handles Major Construction Projects?

The **Contract Administration Department** bids out construction and/or engineering, architectural and consulting projects for other City Public Works and Utility Service Departments (such as Transportation & Stormwater Services, the Wastewater Department, the Water Department and Logistics & Asset Management).

For information on possible projects in these areas please go to <http://www.tampa.gov/contract-administration> or contact Jim Greiner, P.E., Contract Manager, Contract Administration Department at (813) 274-8598.

City Council Approval Requirement

All purchases over \$100,000, or those with a formal agreement, require City Council Approval by Resolution.

City Council meetings are held the first and third Thursday of each month at 9:00 a.m. in Council Chambers (Located on the third floor of historic City Hall, 315 E. Kennedy Blvd.) to enact legislation pertaining to general city business. All meetings are open to the Public to participate in our legislative process.

The Tampa City Council is a legislative branch of City Government and operates in accordance with the provisions of the 1974 Revised Charter of the City of Tampa. The City Council is responsible for enacting ordinances and resolutions that the Mayor of Tampa administers as chief executive officer.
