

HOUSING DEVELOPMENT AT 1102 E CURTIS

1102 E Curtis

PROJECT DETAILS

CRA District: East Tampa

City Council District: 5

Address: 1102 E Curtis St Tampa, FL 33603

CRA Funding Amount: \$525,000.00 (FY24)

PROJECT DESCRIPTION

CRA staff is procuring environmental cleanup and demolition services. Scope of work will include demolition of several buildings, foundation, footing, pads, steps, and debris removal. Additional work includes environmental cleanup of existing asbestos and lead paint.

PUBLIC BENEFIT

By providing land for attainable housing, communities can increase the supply of homes that are within reach for lower-income individuals and families. This helps address housing shortages and reduces the risk of homelessness.

TAMPA CRA OBJECTIVES MET:

Tampa CRA's "Community Engagement" and "Attainable Housing" improvement goals.

East Tampa CRP:

CRP section Land Use, Zoning, and Design states "The future land use is intended under the comprehensive plan to remain primarily residential". The public participation process for CRP plan and the Existing Conditions Study strongly indicated a need for the construction of affordable housing in East Tampa.
