3. Reason for Applying for Designation

(attach additional sheets as necessary)

For the home's cultural significance to the City.

This home was once owned by Richard Doby. Mr. Doby is noted to have been a pioneer in the Black communities of Tampa. His prominence and community mindedness led to the neighborhood being called Dobyville. I have come to learn that the land Mr. Doby developed and donated - a church, the Dobyville School - are gone and the Zion cemetery was lost for decades. 1405 W Azeele still remains. A landmark designation for the property helps to further keep Richard Doby's contributions, his life's story, and Dobyville's stories alive in Tampa's history.

- Current deed to the property, indicating ownership and legal description
- Proof of legal authority to sign for ownership (if property has multiple owners or is owned by an organization)

Additional attachments: If available, please attach the property survey, historic photographs, drawings, plans, or other documents.
