

BEAT THE HEAT

COMMUNITY EVENT

Friday, July 12, 2024

11:30am-1:30pm

4618 N 22nd St. Tampa, FL 33610

**Sustainability
and Resilience**

Join the City of Tampa for a community event focused on extreme heat. The event will feature a cool corridor simulation that will include interventions such as tree-shaded sidewalks, hydration stations, misters, community gardens, and heat stress education. Participating organizations include Tampa Family Health Centers, Hillsborough County, and the Healthy 22nd Street Garden.
