THANKSGIVING BREAK CAMPS 2024

SCHOOL'S OUT, MOSI'S IN!

There's no better place to spend your break than MOSI doing hands-on, engaging and fun STEAM (Science, Technology, Engineering, Art and Math) activities!

- Bring two snacks, lunch, and wear clothing that can get messy. (MOSI does **NOT** have a café; therefore, lunch cannot be purchased).
- Camp hours are 9am – 4pm. Extended hours are available from 7am – 9pm and/or 4pm – 6pm for an additional $15/$20 per week. **There is no extended care on 12/24 or 12/31.**

November 25 – 27, 2024 (3-Day Camp)

Program Fee - $180 • MOSI Member Fee - $135

A Pinch of Fun - Kindergarten – 1st Grade
Join MOSI for an exciting Thanksgiving Break Camp where science meets baking in the most delicious way! Young chefs will get hands-on experience making homemade pretzels, scrumptious pies, gooey cinnamon rolls, and festive cranberry cookies, all while uncovering the scientific secrets behind these mouthwatering treats. This unique camp combines culinary creativity with fun experiments, ensuring a delectable and educational experience that will leave every camper with tasty goodies and a newfound appreciation for the science of baking. Don't miss out on this flavorful adventure——sign up today!

Grossology 101 - 2nd – 4th Grade
Learn why humans burp and have flatulence (look that up). Find out why we have runny noses and boogers. Explore the components of blood by creating a simulation yourself. These are just some of the things that you will learn about your body in this "gross" three day camp.

Minecraft Biology - 5th – 8th Grade
Tired of the same old turkey and stuffing? Are you looking to ramp up your Thanksgiving holiday? Then, join MOSI for three days of fun as we celebrate Turkey Day. Build a catapult to launch the special bird. Experiment with cranberries and learn about the chemistry hidden within. Create a vehicle to protect a Thanksgiving dinner sent to Mars. These three days will fly by with fun.

Become a MOSI Member and save 25% on camp fees!
