

WINTER BREAK CAMPS 2024-25

Program Fee - \$232 • MOSI Member Fee - \$174

**Winter Break Camp Week 1 – Dec 23, 24, 26, 27, (No camp on Wed, Dec 25th)
(No extended care on 12/24 or 12/31)**

Santa's Workshop - Kindergarten – 1st Grade

Join us this holiday season for an unforgettable Christmas Break Camp, where creativity and festive spirit come alive! Young artisans will dive into a merry mix of crafting projects, from making delightful soaps and enchanting candles to designing vibrant perler bead artwork and stitching cuddly stuffed animals. Each day is filled with hands-on fun, artistic exploration, and the joy of creating personalized gifts perfect for family and friends. Let your child's imagination shine in a warm, joyful environment this Christmas season—sign up today and watch their crafty spirit soar!

Engineering Christmas - 2nd – 4th Grade

You are the elf, and Christmas is not that far away. Guess what that means? You have to engineer Christmas. Learn engineering techniques to create fun holiday projects for the week. Learn fun physics concepts to help you create the ultimate Christmas gift! So get ready to use your imagination because it's your time to shine!

Holiday Game Workshop - 5th – 8th

Have you ever wanted to create your own video game? Well, now's your chance! Learn how to create simple retro games from scratch and then share them with family and friends for more fun. We'll give these games a unique holiday twist!

Winter Break Camp Week 2 - Dec 30, 31, Jan 2, 3 (No camp on Wed, Jan 1st)

Winter Wonderland - Kindergarten – 1st Grade

This winter, dive into the frosty fun at Winter Wonderland Camp, where we explore the fascinating science of cold! Campers will thrill in creating their very own Insta-snow, constructing igloos out of sugar cubes, and growing beautiful crystals, while learning the principles that make winter fabulous. To top it off, they'll indulge in making delicious snow cones to enjoy the sweet taste of the season. Join us for a chilly adventure packed with hands-on experiments and wintry delights that will warm both hearts and minds! Sign up now for a frosty experience your child won't forget!

Holiday Showdown - 2nd – 4th Grade

Are you ready to show your family who's the boss when it comes to holiday science experiments? Create snowflakes and crystals from household products. Make holiday cards that light using an LED circuit. Create slime using the colors of the season. Let's add an extra sparkle to the season with these delightful festive activities.

Computer Artists - 5th – 8th Grade

We provide the equipment, you provide the creative fun! Use simple and powerful tools to create digital works of art throughout the week. Learn the basics of digital art and craft unique pixel creations to take home and share with friends and family!
